Training Checklist

	Tick	Date
Wildlife & Countryside Act 1981		
Conservation (Natural Habitats &c.) Regulations 1994	<input type="checkbox"/>
basic protection	<input type="checkbox"/>
limits to protection	<input type="checkbox"/>
dwelling houses	<input type="checkbox"/>
lawful operations	<input type="checkbox"/>
circumstances requiring consultation	<input type="checkbox"/>
limitations of advice by volunteers	<input type="checkbox"/>
what to do when the law is broken	<input type="checkbox"/>
Licensing	<input type="checkbox"/>
licensable activities	<input type="checkbox"/>
types of licenses	<input type="checkbox"/>
Bat biology and ecology	<input type="checkbox"/>
basic biology of Chiroptera	<input type="checkbox"/>
taxonomy	<input type="checkbox"/>
basic ecology	<input type="checkbox"/>
importance in ecosystems	<input type="checkbox"/>
life histories	<input type="checkbox"/>
life span	<input type="checkbox"/>
breeding systems & strategies	<input type="checkbox"/>
food and feeding behavior	<input type="checkbox"/>
seasonality	<input type="checkbox"/>
social behavior	<input type="checkbox"/>
colony formation and composition	<input type="checkbox"/>
mating systems and behavior	<input type="checkbox"/>
maternal behavior	<input type="checkbox"/>
juvenile behavior	<input type="checkbox"/>
habitat selection	<input type="checkbox"/>
roosting behavior	<input type="checkbox"/>
range of roost sites	<input type="checkbox"/>
seasonal changes in site selection	<input type="checkbox"/>
feeding	<input type="checkbox"/>
range of feeding habitats	<input type="checkbox"/>
diurnal rhythms in feeding	<input type="checkbox"/>

	Tick	Date
Bat conservation	<input type="checkbox"/>
threats to bats	<input type="checkbox"/>
historical evidence	<input type="checkbox"/>
habitat threats	<input type="checkbox"/>
habitat change and loss	<input type="checkbox"/>
loss of hibernacula	<input type="checkbox"/>
loss of summer roost sites	<input type="checkbox"/>
effects of modern land management	<input type="checkbox"/>
loss of insect abundance and diversity	<input type="checkbox"/>
pesticides	<input type="checkbox"/>
remedial timber treatment	<input type="checkbox"/>
agricultural pesticides	<input type="checkbox"/>
persecution and intolerance	<input type="checkbox"/>
sensitivity to disturbance	<input type="checkbox"/>
in summer	<input type="checkbox"/>
in winter	<input type="checkbox"/>
 Public relations		
site visits	<input type="checkbox"/>
safety at roosts and other sites	<input type="checkbox"/>
visits to householders who have discovered bats	<input type="checkbox"/>
arranging the visit	<input type="checkbox"/>
analysing the situation	<input type="checkbox"/>
persuasion and education	<input type="checkbox"/>
sensitivity to fears and phobias	<input type="checkbox"/>
practical help and limits to advice	<input type="checkbox"/>
follow-up action	<input type="checkbox"/>
further visits	<input type="checkbox"/>
recording and reporting	<input type="checkbox"/>
consultation and liaison with SNCO	<input type="checkbox"/>
visits to buildings requiring work/timber treatment	<input type="checkbox"/>
arranging the visit	<input type="checkbox"/>
analysing the situation	<input type="checkbox"/>
inspecting the site	<input type="checkbox"/>
collecting relevant information	<input type="checkbox"/>
follow-up action	<input type="checkbox"/>
recording and reporting	<input type="checkbox"/>
suggestions for advice	<input type="checkbox"/>
liaison with SNCO	<input type="checkbox"/>
presenting bats to the public	<input type="checkbox"/>
giving talks or presentations	<input type="checkbox"/>
talking to the media	<input type="checkbox"/>

	Tick	Date
Practical skills	<input type="checkbox"/>
handling and examining bats	<input type="checkbox"/>
handling safely (inc. rabies)	<input type="checkbox"/>
identification	<input type="checkbox"/>
examining bats in the hand	<input type="checkbox"/>
catching bats	<input type="checkbox"/>
inside roosts	<input type="checkbox"/>
at roost entrances	<input type="checkbox"/>
in the open	<input type="checkbox"/>
surveys for bats	<input type="checkbox"/>
hibernacula	<input type="checkbox"/>
safety underground	<input type="checkbox"/>
liaison with other interests	<input type="checkbox"/>
frequency of survey	<input type="checkbox"/>
recording and reporting	<input type="checkbox"/>
summer roosts	<input type="checkbox"/>
safety	<input type="checkbox"/>
liaison with others	<input type="checkbox"/>
frequency of survey	<input type="checkbox"/>
recording and reporting	<input type="checkbox"/>
